Alumni Day of Service

On Saturday, February 24th, alumni from around the world united for one common cause, giving back. From South Africa to Norway and back to California, Gauchos from 3 different continents served at numerous non-profit organizations to help make our communities a better place. We totaled 2078 hours of community service and we are so thankful for our dedicated alumni who showed their UCSB pride. If you'd like to help plan next years event, please email samantha.putnam@ucsb.edu. For more inspiring images of Gauchos participating, check out our [instagram](#), and [facebook](#) sites.
